## Instructions for Completing Form ST-108A

Sections A, B, and C must be completed when sales tax is collected.  
Sections A, B, C, and D must be completed when an exemption is claimed.

The ST-108A allows an auction (not acting in the capacity of a licensed dealer with the Secretary of State) to indicate the amount of sales tax collected from a purchaser of a motor vehicle, trailer, or watercraft. The auction must report and remit the sales tax collected to the Department of Revenue. An auction selling its own inventory as a licensed dealer with the Secretary of State must use the ST-108 or ST-108E form.

The auction must sign the ST-108A certifying it has collected the sales tax, unless an exemption is claimed. Failure to sign the ST-108A will result in the rejection of the form by the license branch, and the purchaser will have to return to the auction to obtain the signature.

If an exemption from the tax is claimed, the purchaser must indicate a reason for the exemption and submit it to the license branch at the time of titling. Form ST-108A serves as an affidavit of exemption by the purchaser and lists the exemptions available. The purchaser must disclose his SSN (Social Security number), TID (taxpayer identification number), or FID (federal identification number) to claim an exemption.

### Section A - Auction Information

**Name of Auction:** Show the name of the auction as it appears on the Registered Retail Merchant Certificate (RRMC). Do not use your DBA (Doing Business As) as your name.

This number must be in the following format: 0001234567-001. If this number is not present or not in this format, the ST-108A WILL BE REJECTED by the license branch and the purchaser will have to return to the auction to obtain the valid number.

**Address of Auction:** Indicate the address of the auction as it appears on the RRMC.

### Section B - Calculation of Sales/Use Tax

**Line 1-** Enter the total gross selling price of the vehicle, trailer, or watercraft sold at auction.

### Section C - Vehicle Identification Information of Purchase

**VIN or HIN number:** Enter the VIN (vehicle identification) or the HIN (hull identification) number.

1. Vehicles or watercraft purchased by Indiana or federal governmental units or their instrumentalities.
2. Vehicles or watercraft purchased by nonprofit organizations operated exclusively for religious, charitable, or educational purposes and using the vehicle for the purpose for which such organization is exempt. The applicant **MUST** indicate their 13-digit Indiana TID and LOC number on the front of the form. **The nonprofit name must be on the title to claim this exemption.**
